“ *So sorry for your loss. Miss Mattie was a treasure. She won our hearts with her smile and her love for our daughter Theresa Jones. The mornings we would let Theresa out at West Chester school early, Miss Mattie would greet her with a hug and a smile and say good morning miss America. We loved her for all the good in her heart and the world is a better place because of her. May God give you peace as only He can.*

“ I have warm memories of working with Ms. Mattie at West Chester. At the faculty staff Christmas parties if my husband couldn't come, Mattie would be my 'partner'. We had more laughs and fun than anyone there. Such a joy to be with. So happy that she is a part of my West Chester memories.
