*I love you my baby brother and I hate to see you go. You gave it a good fight until the end but you have served your time here on this earth, now it's time for you to rest until we meet again.  
Love your baby sister Marva*

“ *You will always be in my heart. ❤️ You will truly be miss. I will truly miss your beautiful smile and your laughter. Rest now my sweet friend until we meet again and know that somebody loves you and that would be me always and forever Zellier*

*You've shown that light of yours, how  
we all the times you touched  
we've known your joy for years and years  
I guess they thought enough.  
  
They need your light up there now  
this world grows ever dark  
your presence will rain down like dew  
dripped into every heart.  
  
The stars have called you home  
now we'll miss you, every day  
and every night we'll scour the skies  
to watch you, where you lay*

Michael was my high school friend! My boyfriend Tony Osborne and I double-dated with my best Zellier Charlette Price and Michael in High School. We remained good friends over the 50 years. Michael had that huge contagious smile, was so funny and spoke his mind! I loved that about him. Tony and I send our love to Michael's family, friends and his high school sweetheart Charlette Price. May God Bless and Comfort You All! Love Betty Osborne
