“ *Our Prayers go out to the entire family in the loss of our cousin Michael Greer Sr. We were able to share many memorable conversations with Michael during our 15 year stay in Denmark after relocating back to Tennessee. We always had some interesting family discussions with Michael during those years, and appreciated his participation and input during our Family Reunion planning process. May God Bless and Keep the entire family during this difficult period. Michael will surely be missed, but God never makes a mistake, so he called Michael home.
