“ To the family, we are so sorry for the loss of your beautiful loved one and our church member and friend. God surround each of you with His love and comfort as you mourn this loss. There are no rules and no time limit on grief. It is a process and different for everyone individually. Take all the time you need because within the process, you'll find strength, healing, and peace. ~ Cynthia C. Hall, Zion Christian Ministries

“ *Monica was a blessing. I met her many years ago when we worked together. What a friend she became to me. I watched her daughter grow into a beautiful woman and know her mother was proud of her. I can never say thank you enough to this lady- she was always there for me during so many difficult times. Heaven gained an angel! You will be missed but know that you are at peace and without pain.*
