

## Mr. Nikolas Velon Rhea

August 3, 1996 - November 17, 2023

Nikolas Velon Rhea (Abdul Kabeer) was born August 3, 1996, to Kimberly Nicole Donald. He sadly left this earth and his loving family on November 17, 2023. Although, he left us at the tender age of 27, he lived a fulfilled life. He pursued his dreams and aspirations with dedication, passion, grit, fearlessness and loyalty.

He was a graduate of Northside High School class of 2014. After graduation he went to Job Corp where he obtained a professional trade license in Carpentry.

In recent years he passionately pursuing his dreams in music. As an "Ode to 50 years in Hip Hop" he was the ultimate wordsmith natural on lyricist. He mastered his craft with impeccable penmanship, truly a prolific poet among his peers. His words painted life and framed life; his and the stories of many young black men of his generation.

He found his voice in a world that too often is filled with thunder and inaudible screams. He gathered wisdom from days that were uncertain, and he poignantly pinned them. He structured words others dared to recited and somehow amongst it all he found a sense of peace in the valleys and hills we all encounter on this journey we call life. He was a loving and kindhearted soul. He was a son, grandson, brother, friend, and most importantly a father to

his children. He was becoming a man respectfully in his own right.

He leaves to cherish his memory three beautiful children: Kennedi Rhea, Kolby Musgrave, Armani Jenkins; his loving mother: Kimberly Nicole Donald and dad Kenneth Donald; two brothers: Kenneth "Tre" Donald III and Priest Donald; two sisters: Erin Woolfork, Altoria "Suga" Donald; great-grandmother: Cora F. Johnson of Humboldt, Tennessee; maternal grandparents: David and Kathy Woolfork; paternal grandmother: Wanda Drake; great aunts: Gloria (David) Cofer, Vickie (Darrell Wayne) Andrews and Lillian Shelton, and a host of cousins, fellow artists, other relatives and friends.
