“ Norma was my younger sister. Need I say more. She always managed to keep me in trouble..... as one person would say It was good trouble, memories galore. Memories from her crying because "the cows are gonna get me" to teasing me about my nickname. I can't imagine days without you. Right now I'm in a place of hurt and lost. Remember I will always love and miss you. Gone but never forgotten. I LOVE YOU NORMA. Cecelia
