“ *I had the opportunity to meet Ms. Pauline. It was easy to see that she loved people, and she loved fun. To Susie, Greg, Bre and the Johnson family, please know that God makes no mistake. Ms. Pauline is in a much better place. She will always be with us because her memories will linger on.*

“ *Aunt Pauline and I had a song that we always hummed to each other, neither one of us knew the song title nor the words, but every time I walked in the door she'd smile and hum our song! I will definitely miss her, but her song will stay in my heart! To my cousins Dequeena, Susie (Net), Kennon, and Aurthur Lee, I love you all and will continue to pray for you.*
