“ *My Darling Peyton known to me as Master P, was such a joy to have in our lives for three yrs. 2 months and 11 days. He was a Prince and I'm sure he knew it. I thank Corey and Vania for sharing him with us. I ask that everyone keep Corey, Vania and the rest of the family in your prayers as we all go throu this trying experience. Just knowing that God is good and will keep us in his loving arms is what holds things together. Thank you all for caring, sharing and sending love to this family. It means more than you can ever imagine.*
