“ *Rest in peace Phil Ewing.
We attended school together when we were
kids.
Haven't heard from him but always asked how
he was doing & kept him in my thoughts.
Asking that our God bless & keep all family, friends, & all those
affected by your death.
Respectfully,
Tiffany S. Bowers Laarabi*

I remember as kids when we used to have a white horse named trigger and Clifford will always put you and I on first to give us our first horse riding lesson and how tickled and how fun it was as kids that we had our own horse. I will miss you dearly my brother ❤️
