“ I will never forget my favorite cousin. You helped me and my children when they were small. Don't know why we always stayed in touch the most, but I guess you loved me and I loved you. I will never forget you, remembering you and laughing at the things you said. Sad to see you go ,but I know you were tired and god called you to be with him to rest, no more pain or suffering. Love you always. Brenda your cousin.
