Tribute Wall

“ Just learned of Kent’s passing today. I loved Kent like a son. In fact, he called me Dad and I called him Son. We worked together at the US Forest Service, Trout Lake many years ago. I recognized his potential and aspirations. There was a forum called Blacks in Government and I encouraged him to attend. DNR saw what I had seen and snapped him and away he went!
I loved him and will miss him terribly.
Richard Morgan
I will miss his amazing smile, his warm loving hugs but most of all I will miss him.
Lawnie Morgan

“*Kent Stanford was a servant leader at Washington Public Employees Association Union. He was a friend and mentor to me when I served on the union board, and he was an absolute rock to WPEA members during the tumult of Covid-19 workplace closures. Pre-pandemic, Kent loaded his blue truck each summer and brought BBQs to member workplaces as welcome opportunities to socialize. Kent loved his family. I believe he is now at peace with loved ones who passed before him and I wish that peace to those who mourn his loss.*

Becky Turnbull, WPEA member

“*I worked with Kent for several years when he was the president of WPEA. He was genuinely one of the most good, genuine, caring individuals people I've ever met. He spoke about his family with so much love and he was dedicated to his coworkers at the Dept of Natural Resources. He was so full of life! I can hear his big laugh and see his big smile even now.*

“ I had the honor of working under Kent while he was the WPEA/UFCW Local 365 union president for six years from 2015 – 2020. He was always looking to improve members pay, benefits, and working conditions and worked very hard to make that happen. Prior to becoming the union president, he worked many years as a shop steward and local trustee sacrificing much of his personal time and energy to help others. He would give someone the shirt off his back if it was necessary. He loved his family and was very proud of watching them grow. He enjoyed life to the fullest including officiating high school basketball and cheering on his favorite college team, Tennessee, and his favorite NFL team the Pittsburg Steelers. His laugh could fill the room. You will be deeply missed Kent. Love Mike Backhaus

“ Kent is one of those brother's that will not be easily forgotten, and will truly be missed. He was a great mentors to me and a great example of goodness. God brings people into our lives for all different reasons and I know it was my blessing to have had Kent in my life. It's truly hard to say goodbye to yesterday day.

*To the friends and family members of Mr. Randel Kent Stanford,
I sat with Mr. Stanford on July 6th, 2025, in the pew of New Life Baptist
Church in Lacey, Washington. He was very quiet, and I knew that it
seems that he seemed to be in pain. I asked if he was alright when we
stood up during offering time. He told me that he is dealing with some
medical issue that he is trying to work out. Later, during prayer and
altar call, I stood next to him and hugged him to let him know that I
cared. I found out about his passing today, July 23, 2025, when I read
the NewLife Baptist Church E-blast. May his soul rest in peace with our
Lord and Savior Jesus Christ.*
