“ *I just wanted to take the time to send condolences to the family, friends and loved ones of Ray Hurst, Jr. I met Ray when I was seventeen years old and we shared many great times and learning experiences together for approximately nine years. The relationship was a blessing for me as I was also blessed with positive relationships with his extended family members. It is comforting to know that Ray's earthly transition was completed in a painless fashion. Depending upon your beliefs, you may feel comfort in knowing that we gained another angel or positive spirit on the other side. Much Love, Peace and Abundance to ALL!!!*
