“ *I love you all! My prayers are with you always! Even though I am far away, I want you to know that you will always be in my heart. Robert was a part of my heart as well as all of you. He was a gift and blessing to all of us that knew him. His smile, his loyalty, his friendship and understanding nature was unmatched. Even though we are hurting right now we must accept that God knows best. We must delight in knowing that we will see Robert again one day! I love you all!*
