“ *As it get close to your birthday my heart gets heavy, I miss hearing betty boop when i answer your calls. I miss the softness of your hair when asking me to comb/ play in you hair. I miss looking forward to the weekend because I knew soon as it came you was coming for me. I miss the pinky promises we made to each other to be reassuring that we had secrets that no one could get out of one or the other. I miss your presence, touch, smile.....but most importantly I MISS YOU. I love you granny forever and always*

“ Moma,  
We shared so much happiness  
In times of yesterday,  
And to say how much I miss you  
I could never find away.  
I wish with ALL my heart  
That you where here with me,  
And we could share the laughter  
That there always used to be.  
I know we'll meet again  
In another life elsewhere,  
And those very special times  
We once again will share...  
I love you moma!! With all of me.

“ I was thinking with today being your birthday if I had of called you and said "moma would you like to go to old charley's and eat some prime rib"? the excitement in your voice lingers in my head on how you would have reacted. The small things like a \$20 bill is meaningless it doesnt even matter, especially to see the joy that would have done for you just for the thought. I was talking to cj and he asked about you this is how the conversation went..

*cj: moma were grandma rosie at?*

*me: I said in heaven with Jesus way in the sky.*

*cj: well why don't we get a fishing pole thing and bring her down here*

*me: with tears rolling down my face I didn't say anything*

*cj: says moma say cj that's a good idea*

*me: Isaid cj that's a great idea.....*

*I said that to say I know that would have tickled you good in spite of my hurt there was some laughter at the end. I lit a green candle for you because I know you enjoy flowers and smell goods. That was the least I could do for you on this memorable day I love you:)*
