“ *Just want the entire family to know that you are in my prayers. May God be with throughout this time. Remember you can do all things through our Lord and Savior JESUS CHRIST. Ms. Bernice , you are a soldier for Christ and he is walking with you. Mon, Sharee be strong and be that family she expected you all to be. She is with you always. I love you so much.*

“ *I've only been in the presence of my cousin Rose once, and we had a good time getting to know one another. We spoke mostly of family and had good time sharing our lives with each other. We joked about her changing her name from Rosemary to Rose Mary. To all the Wardlow family, I send my sympathy, for we will miss our ROSE. I love you Bernice and pray that God brings comfort to you. “ *Everytime Rosemary and I talked we always ended up talking about the Lord. The last time we were in conversation, the last thing she said to me was that " if the people knew like she knew that God was on his way back that they would get ready and stay ready, because they knew not the day or hour he would arrive." Thank God Rosemary was ready to meet the Lord.*

*Be blessed Ms. Bernice God is still in charge.
