“ I will forever remember the first time I met Sarah, she welcomed me with open arms as if I were a member of the family. The last time I was there for a visit, Sarah, Wardie, & I had a nice long visit not knowing it would be our last. I count it a privilege that I had the joy of meeting & knowing this wonderful woman. I will miss you but I know that I will see you again one day in heaven. I love you Sarah forever!! Irene Chambers

“ At my lows of life my mother would call her sister Sarah and she would say "send that boy on!" She was able to see me able to succeed. In April 2018 when I was visiting her she continued to share how proud of me she was & if my mother was present she would be very proud too. Now she can tell her herself. I will forever carry your love in my heart & miss you, my other mother. Terry Wayne Curry
