“ *Prayers and thoughts are with you during your loss. Lucille (Looty) as I would call her was my rolling partner. We would pick greens, pears, and pecans. We shared whatever we had with each other. She was a dear friend and I will miss her dearly. I know she is resting in the arms of Jesus.*

“ On behalf of my entire family, I send my condolences to the the family of Ms. Lucille. She was a very special woman, and I was blessed to have been in her presences. As a kid running around her house, I was one of those who enjoyed some of those hot meals that Jacqueline spoke of in her tribute. She was like a mother to everyone, and always made me laugh. I was sitting around thinking yesterday about her family, and how they have touched my life. I think the twins (Sha and Ka) were the first to make me realize I was a little bit shy. Y'all love to harass me. Earnest, I think you made me realize that basketball was not going to be my calling. Camp and Girly, just plain and simply just good friends and good people. Thanks for letting me hang around. An Jr, I think you still owe me some money for getting you that Ben Franklin's job. But, what continues to haunt me were those days at Dan's cafe (laugh). We are family, and I am here if you need anything. I too lost my mother this year, and the next few days will be tough. But, you will make it through to the other side. She raised you right. To love, give, and lead. You will get through it because she will be with you always, each and every day.

Thank you Ms. Lucille for everything you did for my family, and being a friend to my mother. Please tell her I said hi.

Love,
Terry Carver

“ *Ms. Lucille led the life and left the legacy of a true servant leader. She always had a fresh hot meal for anyone who stopped by her home. She gave tirelessly to her community and loved every child as her own. She was the epitome of the Proverbs 31 woman, and, we, her family, rise up and call her blessed! She always gave more than she received. Her Christ-like humility was a true example to us all! I love you Ms. Lucille. You were my second mother, and you always treated me with the love that a mother has for a daughter. Thank you for having such a wonderful, humble son in Earnest. You have left me the greatest gift and partner in life. I will honor you by continuing to love him. Thank you for loving my children so well and giving them your example--Cecily and Adrienne are true servant leaders too! Thank you for sharing your life and legacy with us and for always showing me what a woman of God should be--your example of love will always be cherished and shared.*

Love,
Jacqueline S. Taylor

My grandmother lead her life to be an example. She showed me what type of women I should want to be for my future family. God favored me when he put me under her motherly hand, and I'm very thankful. I will always remember granny<3
