

Ms. Sherrie Lushone Fuller

February 19, 1975 - November 3, 2022

Sherrie Lushone Fuller passed away on November 3, 2022, at the age of 47. Sherrie battled with severe health issues throughout most of her life, but she continuously showed her courage by facing those challenges with a smile. Sherrie's courage and willingness to survive always prevailed and despite the immense pain that Sherrie was in she still stayed strong until the very end.

Sherrie was born in Jackson, TN on February 19, 1975, to Richard L. Fuller and the late Brenda J. Fuller. Sherrie graduated from Lane College with a bachelor's degree in Mathematics, along with a master's degree in Education from Union University. Sherrie then began a career in teaching math in the Fayette County School System for 10+ years.

Sherrie was a highly spiritual person and was a very active member in her church home of New Greater Bethel A.M.E. Sherrie sang in the choir and was involved in numerous other church activities. Sherrie continued to show her support for the church even after she could no longer participate due to her declining health.

Those left to cherish Sherrie's beautiful memories are her three sisters: Caroleen Boyle, Titiana S. Johnson, and Consuela Joy Turner. She was great Aunt/Mother to her three children: Traeveion M. Glenn, Jamia B. Glenn, Jaydon M. Boyle and a bonus daughter LaShaun E. Grandberry. Sherrie had three great nephews: Jace K. Glenn, Mason D. Glenn, Dallas A. Glenn and a new nephew on the way. Sherrie also leaves a host of many more nieces, nephews, cousins and friends to remember the amazing person she was.

There are not many printed words that can express how we are feeling right now. Our hearts are heavy with grief, but we cannot be selfish we have to let you rest. No one can ever take your place in our hearts. There will never be another person like you! You are the Thelma to my Louise.

“ I will never forget Sherrie when we attended JCM. We had a typing class together taught by Mrs. Gooch. Although she was a senior and I was a freshman, she helped me get through typing and was so nice to me. May her family be comforted in their time of sorrow.

“ Ms.Fuller taught me Middle School Math at East Jr High School in Somerville Tennessee. I've been out of school 13 years now but I've never forgotten about Ms.Fuller she was a teacher that was hard to forget. She taught with so much love and passion and she cared for our future. She said as not only our teacher but she was a mom to us all..A sweet soul is gone too soon. You will be truly missed!! My condolences to the family and many friends. May God give you all the strength you need to get through this difficult time!!
