“ My Big Sister,

We didn't always talk, but the love between us was always there. When we did talk or see each other, we cried tears of love — moments I'll never forget. You loved to dance, and your smile could light up an entire room.

The care, strength, and support you gave your children and grandchildren will live on through them forever. I always looked up to you and wanted to follow in your footsteps — from the medical field to being a devoted mother and wife.

I love you always, big sister. My heart is broken, but I find peace knowing you're dancing with Dad, Grandpa, and Grandma — smiling that same beautiful smile. Fly high. 💔🕊️
