“ *As a teacher, I look forward to seeing my former students around town anywhere and they call out my name, even if I don't remember theirs. This one sometimes would slip and call me momma. I always bond with my November babies because I am one. I saw Tan right before school was out. I hugged him. I told him I love him and for some reason that day, I asked him if he had Jesus in his heart. He paused and nodded yes. I'm good. A talented, intelligent, and witty young man! This one hurts, God! To the Maxwell and Hicks families, there are teachers who truly love this young man. We will keep you all in prayer. Zankeyis, I love you babe girl!*
