“ *Uncle Timmy was a great uncle, from the time I was a kid to a grown man. Always sharing his wisdom and guidance, always letting me know that he was telling me things for a reason, because he had already did them, as I type this and wipe the tears from my eyes I know that I will truly miss him. Rest up unk, Love you man!*

“ *My dearest Timothy
Not only were you my husband ,you was my friend, soulmate , my heart . To sum it all up you was my everything , you was more to me than you could have ever imagined . When you left , a big part of me went with you . You was and always will be the love of my life . I won't cry because you're gone , but because you're free from pain and suffering .I will always have those late night conversations to hold on to that only you and I would understand . Rest on sweetheart until we meet again .Love always and forever
Your wife*

Praying for you cousin. I wanted to come see you but I didn't want to break down and make you do the same. Just in May you were helping me deal with the lost of my Mother (Your Aunt). So just know that I love you so much and I'm praying for you.
