“ It’s hard to believe baby brother is gone, you will be deeply missed. He always called me baby girl and I am going to miss that and hugging him whenever I saw him. My most rememberal time from our childhood was the Christmas mom and dad gave Tim and Richard a rocking horse Christmas but was kept hidden under a sheet in deep freezer room. I would put Tim and Richard outside in very cold weather rip that sheet off and ride that horse. I would always lock door so they couldn’t get back in until I got tired of riding that horse.

Love you Always

Baby girl will miss my Baby Brother

“ No one could say “Michelle” like you with that deep..proper voice! And I will miss hearing it. All of my uncles have a nickname for me or a way of saying my name. Shelleboo, Boosie, Shelly Belly...you name it! A favorite memory was when you came to visit Arizona and you were dancing with my girls and showing them Uncle Tim could do the “floss”. SMH...You kept up with your great nieces and probably even showed them you could do it better! I thank you for always asking about the girls and how we were doing..I thank you for being a protector when I lived in Tennessee and making sure you let “knuckleheads” know you didn’t play about your family and especially them nieces! You will be missed and were truly loved by us all.

Rest in Peace, Uncle Tim
