“ *My husband Tim and I worked with Tony many years ago at Tennialum. Tony was always a straight forward guy who was kind loved to laugh and have fun. Tony gained my respect because I never saw him in a negative manner. Our paths crossed again about a year ago but I didn't recognize him because we hadn't seen each in such a long time but being Tony he hollered out both our names in order to fellowship with us, and I'm so grateful that he did that. I say to his wife "you have our condolences as we lift you and your family up in prayer. It won't be easy but God will bring you through".*
