“ To my Egg hill friend, I will never forget the time I hit you in the head with my side arm pitch baseball, you rubbed it off and said bring it, what glorious and fun days we the community the village shared, may God reunite you with those gone ahead of you, always a friend and brother Chubby, and tell Mr. Tray in heaven I still can hear his laugh!!!

“ One of the few people I have known that could make you laugh or smile without saying something funny or telling a joke. It was not what he said but, “how he said it”. He did that for over 50 years of our friendship. RIP my friend

“ To The Wade/Washinton Family, my cousins, Sonya and I send our deepest condolences. Travis was a kind, harding working, and a loving father and friend. I remember when I first met Travis. That deep voice, confident smile and walk filled the room. I rememberd that he was a big Redskins Football fan. I really admired him. To my family, thank you for sharing your dad with me and the entire Fields Family. May the Lord comfort you and give you peace. Love, Jeffrey and Sonya Fields.
