“ *Deepest sympathies to the Hardin Family. We went to school together and he never failed to bring laughter and to put a smile on my face when he'd come around. He's deeply missed. Wishing you peace and comfort during this difficult time.*

“ *My deepest condolences to the Hardin family. He was an amazing young man with a great smile and kind personality. As his teacher years ago, I can tell you he was a very respectful and intelligent boy. I was hurt to hear the news of his passing. Gone but never forgotten.*
