“ There is not a day that goes by where I don't think of him and it always ends in laughter. We had soooo very many good laughs together. I haven't laughed the same since he left. My world is so alone without his smile, his laugh, his smart mouth and his realness. He never sugar coated anything and I loved that most about him. I love you Tyrone ...and miss you so much it hurts. Rest easy my friend until we meet again. Much love and respect ALWAYS!!!
